

Application for Exemption from Waste Water Charges

In accordance with City of Kingston By-Law No. 2008-011 Section 2

3. An exemption from wastewater charges may be granted to industrial/commercial applications, where the use of water does not result in wastewater being received by the wastewater collection system, upon approval from Utilities Kingston Engineering Staff, if:

- a) The wastewater exempt water is metered separately (at the customers expense);
- b) There are no physical connections, beyond the metering point, between exempt and non-exempt systems;
- c) The exempt water system is verified by Utilities Kingston staff, and;
- d) The wastewater exemption does not result in increased concentrations of waste.

I, _____ (Print Name) , hereby request exemption to the wastewater charges in accordance with Section 2 of By-law No. 2008-011 for the premises known municipally as:

The wastewater exempt water is metered separately by Utilities Kingston meter # _____

I request this exception in accordance with all of the following conditions:

- The wastewater exempt water is now and shall remain a separately metered system;
- There are no physical connections, beyond the metering point, between the exempt and non-exempt systems, and none shall be created;
- The wastewater exemption will not result in increased concentration of waste;
- Any additional special requirements to be detailed below;
 -

I understand that the utility may reasonably withdraw this exemption at any time in the future should any of the conditions above be no longer met, or for any other reason deemed necessary by the utility. Such withdrawal would be without compensation.

This exception is applied for this _____ day of _____ , _____.

(Signature of Applicant)

Utilities Kingston has investigated and reviewed the requested application and recommends that the wastewater rate exemption be approved..
